born : 02/12/1973

### Skipper CV

Since 1999, my log book is equivalent to 10 around the world by sailing : more than 40 Atlantic crossings, many deliveries from Mediterranean to North Sea, and much more on the Brittany and Atlantic french coast, plus several long voyages, single handed on my boats, have given me the technical and maritime experience, necessary to carry out the services offered.

---

#### Diploms and certifications :

- French BPPV in 2001
  - Captain/Master 200UMS, sailing option (valided STCW 2010)
  - STCW 2010 certification for communication operator, marine engineering, safety, fire, radar & sea medical care. .
  - Professional status - professional liability insurance.
  - B1/B2 Visa
- 

#### Main past projects, logbook of my 'ocean' deliveries:

I have also carried out numerous coastal deliveries and charters between France, Spain, England, and Caribbean, on both cruising and racing boats, from 21' to 100'.

My high seas Logbook, as captain, is up to 300 000 Nm
